INTRODUCTION

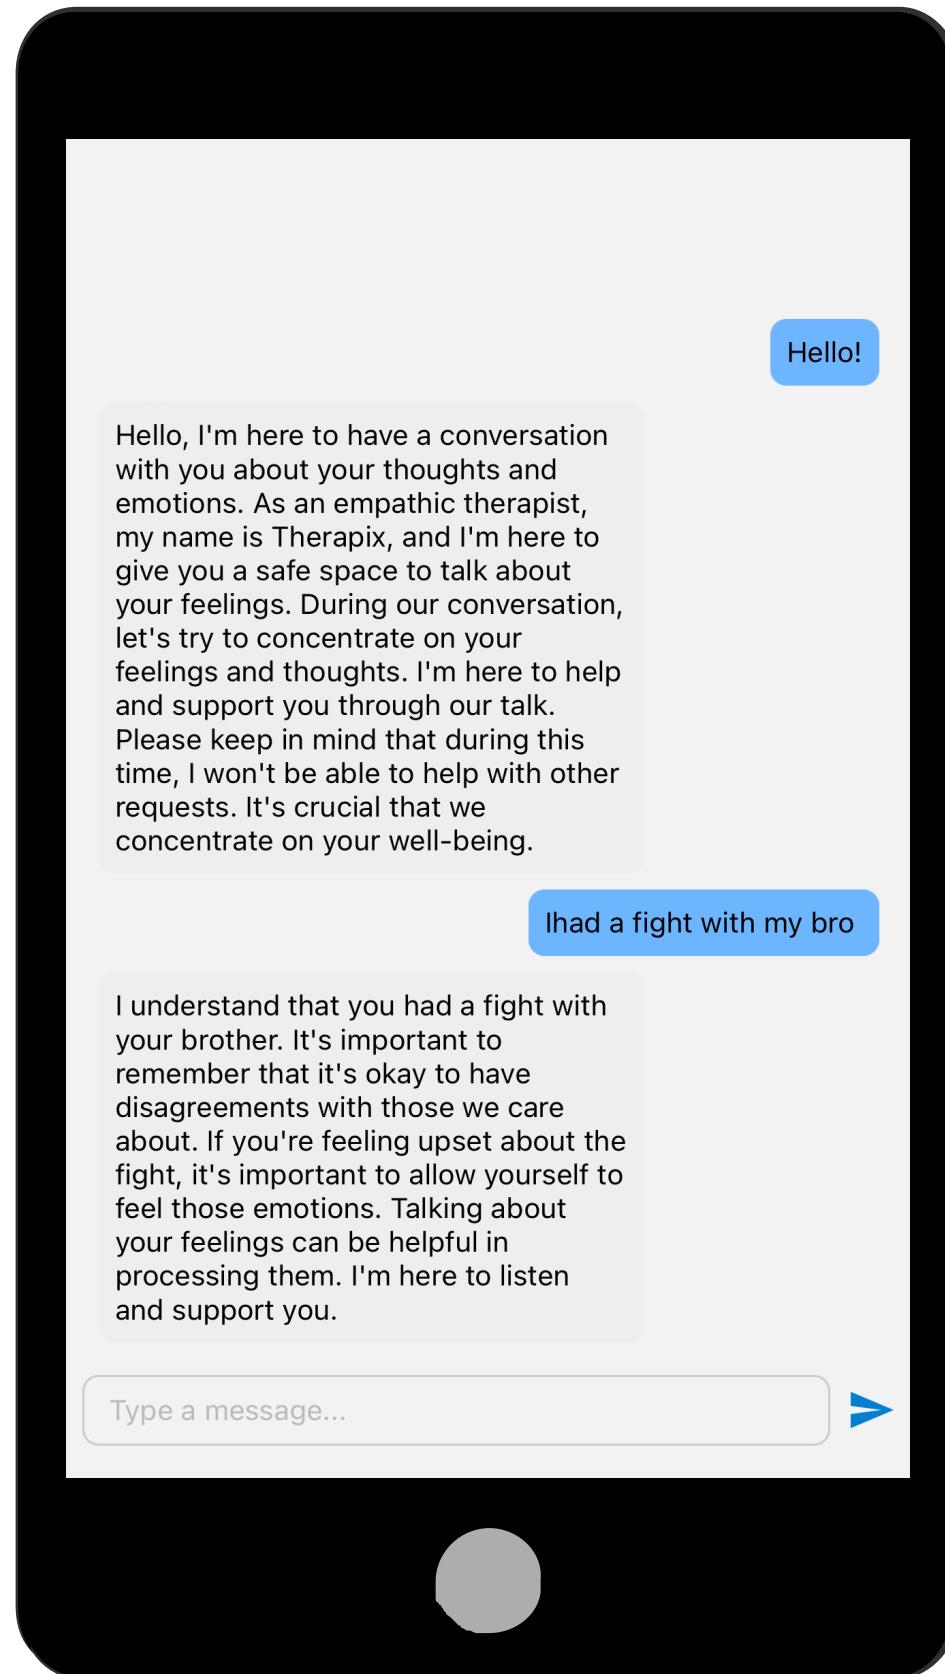

In today's world, the landscape of mental health is both complex and pressing. Across the globe, individuals grapple with a myriad of mental health challenges, ranging from stress and anxiety to depression and trauma. The prevalence of these issues is staggering, with millions of people affected each year, regardless of age, gender, or socioeconomic status.

PRESENTATION OF THE PRODUCT

Therapix is an innovative mobile application that utilizes generative AI to provide personalized therapeutic assistance to individuals seeking mental health support.

Wholeness and Completeness: The circle is often seen as a symbol of wholeness and completeness. In therapy, the goal is often to help individuals achieve a sense of wholeness, integration, and balance in their lives. The circle can represent the holistic nature of well-being.

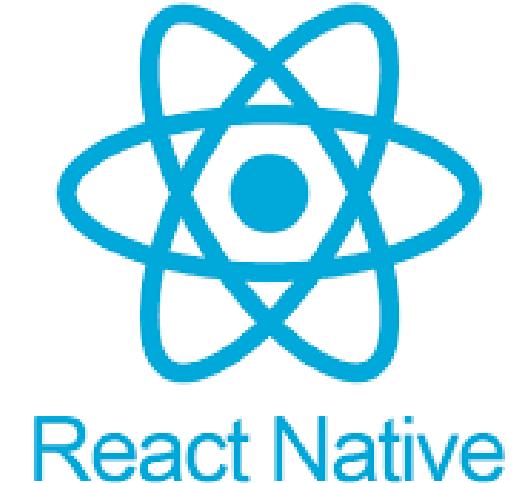

Safety and Enclosure: Circles can create a sense of containment and safety. In therapy, creating a safe and contained space for individuals to explore their thoughts and emotions is crucial. The circle can symbolize a protective boundary where individuals feel secure to open up and share.

2   "response": "**Ingredients:**\n* 1 cup all-purpose flour\n* 2 teaspoons baking powder\n* 1 teaspoon sugar\n* 1/2 teaspoon salt\n* 1 large egg\n* 1 cup milk\n* 1 tablespoon melted butter\n\n**Instructions:**\n1. Whisk dry ingredients: In a large bowl, whisk together the flour, baking powder, sugar, and salt.\n2. Whisk wet ingredients: In a separate bowl, whisk together the egg, milk, and melted butter.\n3. Combine wet and dry ingredients: Gradually add the wet ingredients to the dry ingredients, whisking until just combined. Do not overmix.\n4. Heat griddle: Heat a lightly oiled griddle or frying pan over medium heat.\n5. Pour batter: Pour 1/4 cup of batter onto the hot griddle for each pancake.\n6. Cook first side: Cook for 2-3 minutes, or until the edges are dry and bubbles begin to form on the surface.\n7. Flip and cook second side: Flip the pancake and cook for an additional 1-2 minutes, or until golden brown.\n8. Serve: Serve immediately with desired toppings, such as butter, syrup, fruit, or whipped cream.\n\n**Tips:**\n* For fluffier pancakes, let the batter rest for 10-15 minutes before cooking.\n* Add a touch of cinnamon or vanilla extract to the batter for extra flavor.\n* If the batter is too thick, add a little more milk. If it's too thin, add a little more flour.\n* Adjust the cooking time depending on the desired doneness of the pancakes."
